The bill also makes it a Class A infraction for an adult to knowingly, intentionally, recklessly, or negligently store or leave a loaded handgun, or an unloaded handgun that is accompanied by ammunition, in a location where the adult knows or should reasonably know that an unsupervised child is likely to gain access to and handle the handgun if: (1) a child gains access to the handgun; and (2) the child violates the law concerning carrying a handgun without a license or uses the handgun to cause bodily injury to the child or to another person. Explanation of State Expenditures:

Explanation of State Revenues: The bill establishes Class A misdemeanor and Class A infraction penalties. If additional court cases occur and fines are collected, revenue to both the Common School Fund and the State General Fund would increase. The maximum fine for a Class A misdemeanor is \$5,000. Criminal fines are deposited in the Common School Fund. If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the State General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the State General Fund.

The maximum judgment for a Class A infraction is \$10,000 which is deposited in the State General Fund. If court actions are filed and a judgment is entered, a court fee of \$70 would be assessed. 70% of the court

fee would be deposited in the State General Fund if the case is filed in a court of record or 55% if the case is filed in a city or town court.

Explanation of Local Expenditures: A Class A misdemeanor is punishable by up to one year in jail. The average daily cost to incarcerate a prisoner in a county jail is approximately \$44.

Explanation of Local Revenues: If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county General Fund would receive 27% of the \$120 court fee that is assessed in a court of record for a Class A misdemeanor and 27% of the \$70 court fee that is assessed in a court of record for a Class A infraction. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county General Fund and 25% would be deposited in the city or town General Fund. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.
